EXPERIENCE

Web Developer   **2021-Present**
Richards Counseling & Consulting   **Minneapolis, MN**
Web Developer for Kyle Richards, a private practice therapist. Collaborated with graphic designers while mocking up pages and layouts. Hosted with Fetch. Site is live after one round of revisions and will be updating and running maintenance on the site as needed.
Key Accomplishments:
- Beautiful mobile responsive site
- All pages are formatted for easy to read, clear direction.

- Hosted through Fetch on owners domain.

Program Manager   **2018-Present**
Episcopal Group Homes   **Minneapolis, MN**
Managed over individuals who lived independently in the community, assisting with goal implementation and day to day tasks while staying in communication with family and other various team members.
Key Accomplishments:
- Ensured proper documentation among all fields
- Created a professional and friendly relationship with individuals and team.
- Laying out budget solutions and creating schedules for individuals.

Program Coordinator   **2016-2018**
Presbyterian Homes & Services (PHS) Inc   **Minneapolis, MN**
Overseer of all in home operations and programs while assisting individuals with day to day tasks and providing assistance as a caregiver.
Key Accomplishments:
- Schedule creation.
- Training in new staff members and ensuring proper care and documentation is implemented.
- Schedule, attend, and document individual medical appointments.
- Create weekly budgets for grocery and household needs.
